Washington DC 20231

FILING RECEIPT CORRECTION AND  
CERTIFICATE OF MAILING UNDER 37 CFR 1.8

Dear Sir:

Applicant hereby requests a correction to the filing receipt of the above-referenced patent application. The filing receipt states the filing date incorrectly as evidenced by the copy of the return postcard. The correction is noted in red on the enclosed copy. The filing date should be "April 12, 1996."

Additionally, I hereby certify under 37 CFR 1.8 that this correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage on the date indicated below and is addressed to Commissioner of Patents and Trademarks, Washington DC 20231. Please return the enclosed postcard acknowledging receipt of this correspondence.

Respectfully submitted,

Date: June 5, 1996

**FILING RECEIPT CORRECTION AND  
CERTIFICATE OF MAILING UNDER 37 CFR 1.8**

Dear Sir:

Applicant hereby requests a correction to the filing receipt for the above-captioned patent application. **This is the Second Request.** The filing date was April 12, 1996, not April 15, 1996. Submitted herewith are photocopies of the original Filing Receipt with corrections noted in red, the stamped return postcard indicating April 12, 1996 as the date of receipt of the above-captioned patent application. The date of the first request for a filing receipt correction was June 5, 1996, received by you on June 7, 1996, a copy of which is attached.

Additionally, I hereby certify under 37 CFR 1.8 that the following correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage on the dated indicated below and is addressed to Commissioner of Patents and Trademarks, Washington DC 20231: Filing Receipt Correction (1 page) and Filing Receipt with correction noted (1 page). Please return the enclosed postcard acknowledging receipt of this correspondence.

Respectfully submitted,

Receipt is acknowledged of this nonprovisional Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the date presented on this receipt. If an error is noted on this Filing Receipt, please write to the Application Processing Division's Customer Correction Branch within 10 days of receipt. Please provide a copy of the Filing Receipt with the changes noted thereon.

Applicant(s) STALEY BROD, HOUSTON, TX.

CONTINUING DATA AS CLAIMED BY APPLICANT-  
THIS APPLN IS A CIP OF 08/408,271 03/24/95

FOREIGN FILING LICENSE GRANTED 05/24/96 \* SMALL ENTITY \*  
TITLE  
METHOD OF TREATING AUTO-IMMUNE DISEASES USING TYPE ONE INTERFERONS  
PRELIMINARY CLASS: 514

(see reverse)

LICENSE FOR FOREIGN FILING UNDER  
Title 35, United States Code, Section 184  
Title 37, Code of Federal Regulations, 5.11 & 5.15

GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "FOREIGN FILING LICENSE GRANTED" followed by a date appears on the reverse side of this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.11. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related application(s) filed under 37 CFR 1.62 which meets the provisions of 37 CFR 5.15(a). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations, especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR Parts 121-128) ); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j) ); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

NOT GRANTED

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "FOREIGN FILING LICENSE GRANTED" DOES NOT appear on the reverse side of this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181; the licensee may foreign file the application pursuant to 37 CFR 5.15(b).
